

A LONG TRADITION IN MATCHING ROOMMATES

MoveOnIn (MOI) has been a pioneer in the online classified business since its inception in 1995. The Company hosts a community of real estate related websites geared to a young, urban user base. The Company's flagship roommate portal, RoommateClick.com and its affiliates RoommateAccess.com, FlatmateClick.co.uk, ColocationFrance.fr and WG-Klick.de, combine to form the world's leading online roommate community.

Each month, hundreds of thousands of users in the U.S., Canada, and Europe search for roommates on RoommateClick properties. RoommateClick robust lifestyle matching tools bolstered by the addition of Roommate Access data helps seekers find the best fit. Unique features include "Hot List" tracking, email, and comprehensive search and selection tools which serve both the "Have Rooms" and "Need Rooms" resourcefully.

RoommateClick offers its community the best suite of profile-based matching functionality available, saving roommate seekers time and money, while creating a unique interactive online roommate community.
